Robinson, Illinois 62454
Attention: Michelle Neese, Acting Warden
Ordinance #: 94-0-36 Permit # RC20

February 09, 2021

Subject: Notice of Violation

Ms. Neese:

Testing results reported from your facility revealed a Fats, Oils and Grease (FOG) discharge of 234 mg/L on 1/7/21. Permit Number RC20 indicates a maximum FOG discharge of 100 mg/L.

Interim Conditions:

- 1.) Robinson Correctional Center shall take steps necessary to reduce their FOG discharge concentrations to below the permitted value of 100 mg/L daily maximum.
- 2.) Any future discharges from Robinson Correctional Center that show non-compliance with Permit # RC16 shall be subject to fines and further enforcement action.

If you have any questions concerning this notice of violation of the City of Robinson Pretreatment Program, please feel free to contact me at (618) 562-0040.

Sincerely,

CITY OF ROBINSON
